Cllr. Davis asked to attend a two-day course on Mental Health which would award her a level 3 qualification, in order to skill her to deliver the rest of the Parish project. This would be held at The Nuttery in Notgrove within the next 2/3 weeks. Part of the course would be undertaken via Zoom and then the rest at The Nuttery. Cllr. Senior officers a pilot programme for Bourton residents, based on Gloucestershire's Fire and Rescue service's Safe and Well Service. This offers a free home assessment service for the elderly or vulnerable to offer advice on issues of risk in the home and help with fire exit plans, smoke detectors, and our Parish funds might assist with carbon-monoxide detectors if needed. Bourton Street Volunteers would help with prioritizing those most in need in Bourton. This information was to go into the next edition of the Bourton Browser.
