

#### SUMMARY (from Gemma – Project Manager):

A short monthly report this month with only two sessions to report on. The first session this month the young people spent making Christmas cards and discussing Christmas, how it is celebrated and why it is important to some people. The young people at Bourton love arts and crafts and produce some lovely Christmas cards that they took home to give to family and friends.

The next session was cancelled due to the snow that had fallen in Bourton and surrounding areas making it unsafe for the youth workers and young people to access the club. The youth club ended the year with an outing to Mr Mulligans Crazy Golf in Cheltenham - a fantastic opportunity for the young people to let their hair down and have a fun evening with their youth workers in a relaxed environment, further developing the strong bonds between youth workers and young people. Events like this take a lot of organisation so well done to Lyam, Paula and Elisha for planning and leading a great evening for the young people.

## Bourton on the Water Youth Club – December 2017

#### THINGS WE NEED TO WORK ON:

The overlap of the Junior and senior session has been working great. We will be using this to develop the young peoples leading skills and look at the possibility of them earning rewards for volunteering through V inspired

**COMMUNICATION WITH THE COMMISSIONER:**  
There have been some issues with the heating in the RBL hall during these cold months.

**DEVELOPMENT OF THE YOUTH CLUB:**  
Following the planning session, we will be looking at publicising the term plans to the young people and on Facebook etc. in order to try and increase the numbers of young people attending.
